Policy

Ambrosoli International School is a non-selective school which aims to educate students from the local and international communities within Uganda, providing where possible for the special needs of all its students. In particular circumstances admission will be at the discretion of the Head of School, following assessment.

Procedures

Admission to Ambrosoli is facilitated by the Head of School and administration department and is based on the following:

1. Available places.
2. The potential of the student's ability to benefit from the academic program.
3. The capacity of the school to meet the educational needs of the student.
4. The ability of the student's family to meet the obligations stipulated in the Enrolment Agreement.

If there is a waiting list applicants will be admitted on a first-come-first-serve basis, as space becomes available. All signed and completed admission documents are dated and recorded on the school list and directory form. Students are listed in order of date of application form. The school may admit students at any time during the school year, provided they meet the admission requirements. The Head of School will decide on the appropriate class and teacher for the child. Students will also be permitted to withdraw from school any time of the year provided that the correct communication channels have been followed.

When students withdraw to transfer to another school, Ambrosoli will provide appropriate

records and other information at the request of the parents or the child's new school, once all outstanding fees have been cleared.

The Head of School, seeking advice from professional staff involved, may discontinue a child's enrolment at Ambrosoli if it is felt that the human or physical resources of the school are not adequate to meet the child's needs or the child's learning or behaviour challenges are having a detrimental effect on the learning of other children in the class. In the case of non payment of fees the child will not be permitted to return to the school for the next school term.
